The Oversight Committee requests that you provide evidence to support your allegations against Sue and Doug Hulsebus. Our Nevada Coordinator and Marshall-at-Arms. They have been serving our state since 2022. Please provide the proof you have discovered against them starting from the year 2022 until the present date.

Please provide evidence you shared in your Clark County meetings (minutes) and recordings (time markers) that support your allegations.

Our Oversight Committee members will be asking for the rebuttal evidence from Sue and Doug Hulsebus as well. Reminder for all parties' hearsay will not be used as evidence.

Our Oversight Committee members will be using all evidence gathered by the parties involved to make a recommendation.

We will be using Anna's article #3374 as our guideline. Evidence needs to be received by our Oversight Committee Chairman dated 4-18-2025.

Thank you for your prompt response.
