

The Nevada Assembly unincorporated

The United State of America unincorporated
Land and Soil Jurisdiction

Michael Trigger Wilson and Louis Mogia,

This is to inform everyone that Michael Trigger Wilson has been voted out of the The Nevada Assembly unincorporated for holding no position and does not have any right to represent The Nevada Assembly unincorporated. This position of the People of Nevada took place on June 27 2026. Louis Mogia is not the Chief Justice; we do not hold that position in the State of the Union. Sue Hulsebus, you need to stop this nonsense now!

The Nevada attorney general has nothing to do with our assembly and is not the highest law enforcement officer in Nevada. The highest law enforcement officer is our Sheriff.

This is a perfect example of why you are not qualified for the Militia Commander position, you have not learned Anna's teachings, and we have been trying to correct you and that's why the People of Nevada have voted you out.

Again, you're not comprehending the duties of the Militia Commander.

As you stated in this part of your document.

"The Nevada Assembly is a freestanding sovereign State of the Union in its original lawful form; authority within it runs upward from the People on Nevada, not downward from any service organization."

It is the **People of Nevada that have the authority** to organize and run The Nevada Assembly unincorporated and the use of its name has been made clear that you have been voted out and have no authority. This was held on June 27 2026 and a copy was sent to Michael Trigger Wilson and Sue Hulsebus to notify Michael is no longer a Militia Commander and has no authority over the Assembly.

As you still tend to lie about not getting the notice back with this statement.

"(iii) the Notice of May 29, 2026 to William Rockie Roper, which requested a written response within fourteen days and received none; the window closed June 12, 2026";

A notice to Michael Trigger Wilson and Sue Hulsebus went out on June 14 2026 to his notice and states Michael has not had any authority given to him to notice anyone in the assembly. His notices are null and void because they do not represent The Nevada Assembly People.

Michael Trigger Wilson needs to follow the wishes of the People in the assembly and stop trying to make the Assembly his own. Michael Trigger Wilson does not own any Seal, Logo's, assembly name, or anything that belongs to the People of Nevada.

As far as any documents that were signed by Mark John Seilstand on behalf of The Nevada Assembly unincorporated, it's behalf of the People. He was an officer at the time to signed documents for the People of Nevada. That did not give him or any other man or woman authority over the documents or seals.
