Hi Rockie and Denise,

I just got this email message, thought you guys would want to know about.

I grow tired of these pathetic shenanigans from Sue and her circus clowns.

Didn't they get removed already?

Hello everyone,

I would like to thank all who attended or listened to the Oversight Committee meeting held on April 30th, 2025. A lot of things were discovered during the month of April. We can have people slander, accuse and disperse allegations on a whim and in public and private recordings. No need to prove anything anyone says. Believe all gossip. No accountability for bad behavior. Obstruction is welcomed and encouraged.

Now that I have your attention..... the above is a list of what not to do in The Nevada Assembly. Evidence of what Rockie Roper was to provide for all the accusations, slander, allegations against Doug and Sue Hulsebus were never presented during April 11, 2025, to April 18, 2025, to our Oversight Committee. Denise Mraz was and is a helper to Rockie Roper. Denise Mraz had written an email to Global Family Bank in regard to The Nevada Assembly coordinator that had Sue Hulsebus Nevada account suspended. The evidence is on the email to Sue Hulsebus with ([americanfirst@fastmail.com](mailto:americanfirst@fastmail.com)) Denise Mraz Carboned Copied on the email. Business meeting of April 23rd, 2025, of The Nevada Assembly shows the proof in Sue Hulsebus's written testimony. Anna's articles # 3374 The Warning Signs That You Have District Infiltrators and article # 1775 Guilt by Association are being implemented. We had 3 members on 3 different counties who were present in all three Oversight Committee meetings. Our findings show the assembly had used the method of suggestion to move on to district assemblies. Rockie Roper and Denise Mraz didn't apply any course correcting during their time out. Anna's final recourse for Rockie Roper and Denise Mraz is: Returning their paperwork with the seals and dates and numbers crossed out and cross their names off the Assembly list. The Oversight Committee has the recording of Teri Sahm calling their (Rockie Roper and Denise Mraz) actions as those of a district assembly on Oversight Committee special called meeting of April 30, 2025. We as the members of the Oversight Committee voted unanimously with Teri Sahm's discovery and agree wholeheartedly with Anna's articles # 3374 and # 1775.

To everyone else who chooses to cooperate, be kind, considerate and thoughtful, we would appreciate your help in building our four pillars. Thank you to all who are helping and those who are considering stepping up! Let's get to the tasks at hand with positivity and fortitude.

Kindly,  
Jill Horsley  
The Nevada Assembly

Oversight Committee Chairwoman
