Re: Notice To Cease and Desist Invasion of Privacy

Dear Sue Hulsebus and Michael Wilson,

This letter serves as formal demand that you immediately cease and desist all unauthorized actions constituting an invasion on my privacy. It has come to my attention that you're engaged in unlawful tracking of my personal data by using Nevada Assembly's technologies. Without my written consent with my seal, this is an invasion of my privacy.

Your actions violate my lawful rights to personal privacy and are causing severe distress and harm.

You are hereby directed to immediately stop these activities and refrain from any future attempts to monitor, contact, photograph, or disclose private information concerning me or any of the people in the assembly. Please provide written confirmation within 10 days of receipt of this letter that you have fully complied with this demand.

If you fail or refuse to comply, I reserve the right to pursue all available remedies to me and the assembly with the federation, including seeking damages to the body politics. Please consider this letter as a formal notice. I hope this matter can be resolved amicably and promptly.

Sincerely,

William Rockie Roper©
