This is a **reminder of the Nevada Assembly Business Meeting. (The State of the Union) on Saturday the 27th at 6:00 p.m.**

There will not be an Union State Meeting this Saturday because there is just too much to go over for the State.

Meeting link is : <https://join.freeconferencecall.com/rockier>

We will do as Anna said, to stop the confusion on what meeting is what. Anna has said in an email to Rockie and Sue to stop the confusion, we refer to The Nevada Assembly as the State of the Union. From now on, I will be keeping Anna's wishes and from now on, I will be using the State of the Union for The Nevada Assembly.

Here is a link to the [Militia Meeting](#) held on 6-17-2027 please watch this video and go through the [transcript](#) that was made from the video. We will be talking about this information.

There will be some training on how to build and run an assembly. This information keeps changing as Anna learns new information or new procedures come up that need to be changed. There have been so many changes in the last year we need to get caught up so we understand the process and who the People or the State of the Union is. (The Nevada Assembly)

We will be talking about when and at what time the **Fictitious Firm Name for The Nevada Assembly** was created and who is the Sole Proprietor or Recorded Lawful Entity of the name. The record needs to be set straight on who owns and is allowed to use the name "The Nevada Assembly". There has been allegations made about the assembly and who owns it. Let's make this clear once and for all.

If you live in Nevada and have your paperwork done, then this meeting is for you. Please come and make your voice heard in building the State of the Union.
